

2M1 – Q-STREAM

General Annoncements:

- Students who were in 1P1/1P2 last year should go to MSS/B9 rather than R/C16.
- I'm supposed to remind you of the web-site at

`http://www.maths.man.ac.uk/service/MATH20003/`

...though you should already have been told about this by the MACE people.

- Wednesday 11 am lectures on stats in R/C2
- Tuesday 1 pm tutorials start in week 2. The allocation to groups is described on the web-site.
